### Oily skin?

Your Avon Care solution:

Vanishing Cream

- Oil and shine control
- Leaves skin with a matte finish

Light Moisture Gel Cream

- Fast absorbing
- Replenishes skin at night

Did you know?

Oily skin still needs moisture, so don't leave out a moisturiser from your skincare routine. Look for lightweight formulas, like gels, that provide moisture without oiliness.

### Sensitive skin?

Your Avon Care solution:

The Gentle Aloe range

- Calming and soothing formulas
- Gentle moisture

Did you know?

Aloe vera is a favourite ingredient in skin calming and soothing formulas and is known for its antioxidant properties, as well as its ability to retain moisture.

### Very dry skin?

Your Avon Care solution:

The Royal Jelly range

- Smoothes skin
- Restorative, softening formula

Did you know?

Royal jelly, which is known for its deeply moisturising and nourishing qualities, is a substance that is produced by honey bees.

### Extremely dry or sensitive skin?

Your Avon Care solution:

The Intensive Relief range

- Intensive moisturisation
- Long-lasting comfort for skin

Did you know?

Extremely dry skin is caused by external factors like cold and dry weather, sun exposure, hot showers and excessive washing.

### Loss of elasticity?

Your Avon Care solution:

The Youth Restore range

- Firming
- Moisturisation

Did you know?

Collagen is a protein found in skin that gives it strength, support and flexibility. Elastin is also a protein, and acts like a spring to give skin elasticity.
